

MICHIGAN BREASTFEEDING-FRIENDLY WORKPLACE

Awards Application and Criteria for Inclusion

Mothers are more successful with breastfeeding when they live and work in supportive communities. The Michigan Breastfeeding Network (MIBFN) wishes to recognize Michigan employers that provide workplace support to breastfeeding employees through our Michigan Breastfeeding-Friendly Workplace Awards.

Employers are evaluated based on criteria for three levels of support: Gold, Silver, and Bronze. Employers meeting requirements of one of the three criteria levels will be recognized with a certificate and recognition on the MIBFN website and social media pages.

Please submit application materials to workplaceawards@mibreastfeeding.org. For more information on the Workplace campaign, visit mibreastfeeding.org/workplace

The Michigan Breastfeeding-Friendly Workplace Awards are a component of the Michigan Breastfeeding Network's "MI Breastfeeding-Friendly Businesses Project," a worksite lactation support initiative funded by the Cardiovascular Health, Nutrition and Physical Activity Section at the Michigan Department of Health and Human Services (MDHHS). The project is intended to increase the number of Michigan businesses able to assess their compliance with the federal breastfeeding accommodation law.
